

Welcome to
Palm Royale Soma Bay

A Place Like No Other

Introduction

The Hotel' surroundings offer an idyllic outdoors beachfront haven for families, friends, couple or single's vacation. The Resort is the only self-unit property in the Red Sea and wider Egypt featured by 2.300 swaying palm trees, 70.000 m2 of tailor-crafted landscaped gardens and a private pristine beach stretching 1.2 kilometers.

Due to such versatile infrastructure, the location is perfect for the nature beauty admirers.

Idyllically situated on the coast of the Red Sea offering up close and clear views of the crystal Red Sea "blues", the Resort boasts safety, security, privacy and exclusivity. The two adjoined engulfed bays offer a perfect atmosphere to the liking of each individual.

Location

Situated in a relaxing setting, offering a true heavenly getaway “engulfed” in its ultimate classy sophisticated surroundings, Palm Royale Soma Bay is recognized as one of the most prestigious Resorts of the Red Sea. Located South of Hurghada - right on the crystal clear waters of Soma Bay, the Resort boasts impressive landscaped gardens surrounded by a private golden sandy beach – where everything can be enjoyed within milder climes, even during the month of August; temperatures are maintained within agreeable dry heat weather during the whole year

Running along 70.000 square meters of luscious green landscape, Palm Royale Soma Bay features flowering pathways, tranquil courtyards and 1.2 kilometers of private pristine beachfront with pure, unspoiled virgin waters; main framed with a true abundance of Palms - visitors can enjoy the serenity which is complimented by the high quality of our services and products offerings.
